

Come join us for a fun day in a beautiful setting with horses, great people, good food and interesting concepts!

- **What:** Your help would be greatly appreciated in the development of an experiential workshop on how understanding your energy and using mindfulness techniques can help improve leadership and relationships. We will use horses in this work.
- **When:** Saturday, May 5th 2012 - 9 - 3 PM
- **Cost:** Your input is the most important currency. We would however appreciate choose-your-own-rate-contributions to cover cost for lunch and rent.
- **Bring:** Closed toe shoes (a requirement), water bottle, a curious and open mind. Dress according to weather, as we will be outside.
- **Horse experience:** No prior experience is necessary. Ground work only – NO riding. It is a plus if you like horses. It is ok to be afraid of them.
- **Location:** 6409 S. Sycamore Crossing Road, Bellville, TX 77418 [www.fouroaksarabians.com](http://www.fouroaksarabians.com)

# WHERE ENERGY AND LEADERSHIP INTERSECT

Ned Rios and Cecilia Engquist are asking you to participate in the pilot program for the Power of Leadership Program.

Your investment will be to share in your experience and give your input.

This is going to be an amazing opportunity to have fun with other people, work with horses in a beautiful setting and explore some interesting concepts.

This workshop will positively impact your personal and business relationships and how you lead your career, business, home and/or teams.

If you are interested in supporting this event please let us know and we can send you the details.
